Unlike many Nazret contributor authors who usually posts useless hater articles, this author provided us a class of Ethiopia Rivers and geography. Thus, rather than saying thank you to him, you all the stupid Ras-dingay’s starting to attack the brilliant author, because of that he

called your heroes “terrorist” but you never heard though how cruel those bastards of your heroes were for other Ethiopians. I know you guys don't like the truth side of other Ethiopians history. Especially the Ormo people and those subjugated nations of southern parts of Ethiopia. In which century that are living when you still begging to cover up the untold history of Ethiopia. Wake up habasha youth and never depend on the bias and partial fake history of Ethiopia. Also it's the best idea that to stop listening your gossip kitchen in which you guys at end you will believe it as true story of Ethiopia. Otherwise, we respect your all kitchen tarat, tarat old generations but, do not please come up on public sites as whole history of Ethiopia. Keep in mind that and keep all your cultures in your locals and we respect on that levels. But don't tell your hero is a hero for all Ethiopians. No way they were rather the enemies, so please, remember don't make an issue here any more.
