where to buy generic paxil

Of course, you have Ziprasidone (Geodon), Lurasidone (Latuda) and Asenapine(Saphris) to consider; however, these are not offered as generics-- therefore, if Abilify is effacious then it would make no sense to switch to these on-patent AAPs at this time if you're looking for a more cost-effective replacement

paxil cost per month

But, the FDA this month denied the petition requesting that it withhold approving any generic that did not carry the same warnings, which relate to the risk of hyperglycaemia – or high blood sugar – and suicidal thoughts, required for its branded version.
